### 10:30 – Welcome speech

- **Alessandro Battaglia** (Resp. Production CAN – Ravenna)
- **Arrigo Borin** – Chairman (ASM Int. Italy- Switzerland Chapter Chairman)

### 11:00 – Plenary lectures 1<sup>st</sup> session:

- **Cecilia Monticelli** - University of Ferrara  
*“The measurement and monitoring of the corrosion rate in reinforced concrete structures using traditional and innovative techniques”*
- **Andrea Balbo** - University of Ferrara  
*“New generation of eco-friendly corrosion inhibitors”*
- **Guy Decelles** - Eckart Suisse SA – ALTANA Group, Head of Sales Corrosion Protection - Functional Applications  
*“Corrosion Protection with Zinc Flake Pigments”*

### 13:30 - Buffet

### 14:30 – Plenary lectures 2<sup>nd</sup> session:

- **Federica Zanotto** - University of Ferrara  
*“Corrosion behaviour of Lean Duplex Stainless Steels as interesting alternatives to standard austenitic grades”*
- **Roberto Giovanardi** - University of Modena  
*“Post-weld treatments to increase the corrosion resistance of stainless steels”*
- **Tamas Török** - University of Miskolc - First Secretary of the Hungarian Federation of Corrosion (HUNKOR)  
*“Plasma treatment before metal coatings as corrosion retardant”*

## REGISTRATION

**The workshop participation is free, but you are kindly requested to register yourself before October 30, 2013 by e-mail :**

**Mr. Arrigo Borin** (Chairman of the ASM Italy-Switzerland Chapter)

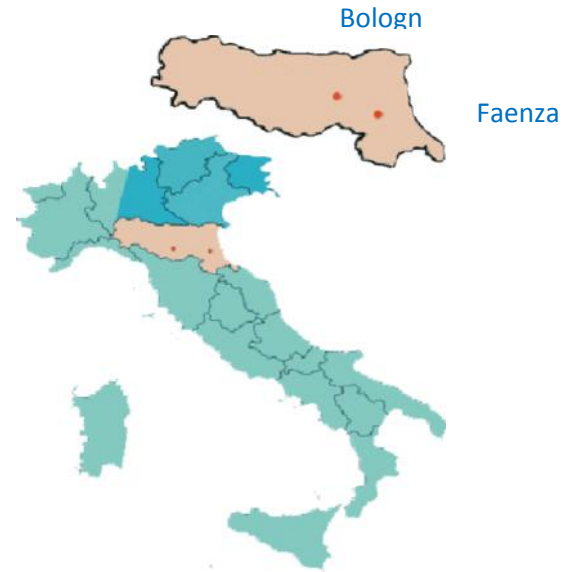

Email : [arrigo.borin@tin.it](mailto:arrigo.borin@tin.it) Tel. +39 3355712749

**Mr. Gian Marco Babini** (Secretary of the ASM Italy-Switzerland Chapter)

Email : [gian.marco@babini.org](mailto:gian.marco@babini.org) Tel. +39 3395699585

**General info:**

- 1) **Workshop certificate of attendance** will be available on demand. If you wish to receive it, please send us your name, family name, name of your company/institution/university...
- 2) **Language** - The workshop will be mainly held in Italian; if needed, English support will be available.
- 3) **Venue** - Located 50 km from Bologna, Faenza is easy to be reached by train, by plane (closest airports: Bologna and Rimini) and by car (access to highway A14).  
The workshop venue is 10 minutes walk from the city center.
- 4) Pls. contact the ASM Italy-Switzerland chapter Secretary ( [gian.marco@babini.org](mailto:gian.marco@babini.org) ) for any extra info you need (hotel booking, local transport, etc.).

Faenza is renowned for its International Museum of Ceramics and beautiful historical buildings (Piazza del Popolo, Palazzo Milzetti, etc.). For more sightseeing information: <http://www.prolocofaenza.it/>
